

Dear GRACIOUS GIVER,

In this season of Thanksgiving, please join us in reflecting on the many gifts, friendships and opportunities created within Junior League of Annapolis, Inc. Since 1981, JLA has developed, like a tree, with strong roots in the community. This year's Gracious Giving Annual Campaign will allow the League to continue to "branch-out" with trained volunteers to make a positive impact on the community.

We invite you to contribute to our Annual Campaign in thanksgiving, in memory or in celebration of those who make the Junior League special to you. This simple act of appreciation reminds us to celebrate the gifts the Junior League and you have to offer.

Full membership participation in the Annual Campaign is encouraged. While any amount is appreciated, a \$100 donation equates to less than \$10.00 a month and will enable us to reach our goal of \$10,000 and continue to fund and grow our community programs and civic leaders. For those on the points system, any donation amount will count toward your fundraising commitment.

Please take a moment to reflect upon the meaning that the League has brought to your life and to the lives of others. Then, think about how a contribution to the annual fund can reflect that meaning.

Thank you for your Gracious Giving.

Suzanne Pope, Susan Ridenhour and Maria Yeager
2015-2016 Annual Campaign Ambassadors

Junior League of Annapolis, Inc. is an organization of women committed to promoting voluntarism, developing the potential of women and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable. Junior League of Annapolis, Inc. is part of the Association of Junior Leagues International, Inc.

Community OUTREACH

Junior League of Annapolis works toward the self sufficiency of women and children by committing volunteers and/ or financial support to the following community projects:

Done in a Day (DIAD) - These one-time special projects are completed in a short period of time and meet a specific community need in Anne Arundel County that is in sync with JLA's mission and community programs.

First Book - First Book's mission is to provide disadvantaged children with new books and to see every single one of them read, learn and succeed. First Book makes new, high-quality books available to schools and programs, serving children from low-income families.

Seeds 4 Success - Seeds 4 Success began as a grass roots, after-school program to create positive opportunities for youth living in public housing. S4S currently has four programs: Eastport Girls Club, I Am a Reader, Parent Challenge, and The Alumnae and College Access Program, created to prepare and empower 10-12th grade Eastport Girls Club graduates to attend and successfully complete college.
