COMMUNITY OUTREACH

Junior League of Annapolis works toward the self sufficiency of women and children by committing volunteers and/or financial support to the following community projects:

Done in a Day (DIAD) - These one-time special projects are completed in a short period of time and meet a specific community need in Anne Arundel County that is in sync with JLA's mission and community programs.

Read 2 Kids (R2K) - Read 2 Kids provides disadvantaged children with new books, and to see every one of them read, learn and succeed. Read 2 Kids makes new, high-quality books available to schools and programs, serving children from low-income families.

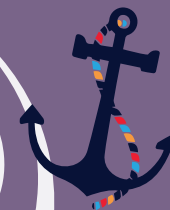

Seeds 4 Success (S4S) - Seeds 4 Success began as a grass roots, after-school program to create positive opportunities for youth living in public housing. S4S currently has four programs: Eastport Girls Club, I Am a Reader, Parent Challenge, and The Alumnae and College Access Program, created to prepare and empower 10-12th grade Eastport Girls Club graduates to attend and successfully complete college.
