

Support the Junior League Annual Fund Campaign

Make a donation today to help us reach 100% member participation!

- ▶ **Why should I donate to the Annual Fund?**
The Annual Fund is unique because 100% of what you donate will directly benefit JLA and its programs. This means your money will strongly impact what JLA can accomplish!
- ▶ **Will my donation count towards my membership requirements?**
Yes! For every dollar you donate to the Annual Fund Campaign, you'll receive one point toward your fundraising commitment as part of your membership requirement (275 total points required for Active Members).
- ▶ **How much should I donate?**
Your donation total is up to you; however, we're asking all JLA members to make a commitment of \$100 or more to the 2017-2018 Annual Fund Campaign. Of course, any amount is appreciated because your participation will help us reach 100% participation. We encourage you to give what you can.
- ▶ **What are the benefits of giving to the Annual Fund?**
 - Donations are 100% tax deductible
 - If you donate \$50 or more, you'll receive a Donor Ribbon recognizing your support of Junior League and you will be entered into raffles for exciting prizes
 - Your donation to the JLA Annual Fund campaign will allow us to maintain our current projects, expand our community outreach, and train our members to be civic leaders.
 - And of course...you're helping an awesome organization accomplish community projects!
- ▶ **How do I make a donation?**
You can easily make a secure online donation by logging into your Junior League account at JLAnnapolis.org and clicking on the "Donate Now" link. You can also mail your donation to the JLA office or call with your giving information.

Double your donation

Did you know that many employers have a matching gift program? For every dollar that employees donate to an eligible charitable institution, employers will match that donation to the same organization. Check with your (or your spouse's) employer to find out if they offer this benefit.
