Community OUTREACH

Junior League of Annapolis works toward the self sufficiency of women and children by committing volunteers and/or financial support to the following community projects:

Done in a Day (DIAD) - These one-time special projects are completed in a short period of time and meet a specific community need in Anne Arundel County that is in sync with JLA's mission and community programs.

Community of Hope - JLA is partnering with the Anne Arundel County Partnership for Children, Youth, and Families to establish a Community of Hope in the Brooklyn Park community of Anne Arundel County, an area which has the highest need and least resources in the county. Our objectives are to help develop and establish, together with community members, various initiatives which promote healthy and successful children and families.

Seeds 4 Success (S4S) - Seeds 4 Success began as a grass roots, after-school program to create positive opportunities for youth living in public housing. S4S currently has four programs: Eastport Girls Club, I Am a Reader, Parent Challenge, and The Alumnae and College Access Program, created to prepare and empower 10-12th grade Eastport Girls Club graduates to attend and successfully complete college.
