

**REQUEST FOR APPLICATIONS (RFA)  
THREE-YEAR COMMITMENT OF VOLUNTEER ASSISTANCE**

Dear Community-Based Organization:

Junior League of Annapolis, Inc. (JLA) is pleased to present this REQUEST FOR APPLICATIONS (“RFA”) in its search for its next community partner to collaborate on a three-year project. If your organization has or is developing a project that serves Anne Arundel County, meets our community needs and aligns with the League’s issue and focus area, we invite your organization to submit an application. JLA is an organization in Anne Arundel County, of over 300 women actively committed to promoting voluntarism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. As a partner, JLA would work strategically with your organization and would develop, organize, provide trained volunteers, and use its budget designated up to \$5,000 annually to successfully implement and improve the project over a three-year period. This RFA does not provide grant money directly to the community partner. The collaborative project will begin in June 2018.

**JLA Mission Statement:**

Junior League of Annapolis, Inc. (JLA) is an organization of women committed to promoting voluntarism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

**JLA Issue and Focus Area:**

JLA's current issue area, which helps to define our allocation of JLA's financial and volunteer resources, is Narrowing the Achievement Gap. Within this issue area, our focus is the Self- Sufficiency of Women and Children.
